## **Inclement Weather Policy Letter**

The purpose of this letter is to set some basic procedures in case inclement weather. In all cases, you should follow practices that ensure you and your family's safety.

Since the Church resides in the City of Toledo we will follow Toledo Police and Toledo Public School direction. Additionally, please keep in mind the following:

Level 1 – Church services and activities will be held unless cancelled by the leader.

Level 2 – Church services will be held. Activities may be cancelled by the leader.

**Level 3 – Church services and activities are cancelled.**

These levels are determined by the Lucas County Sheriff. **We will list Sunday Celebration and our weekly event cancellations on WTOL – Channel 11 and/or Toledo 13 ABC.** We will also send out mass e-mails and use Facebook.

**Tuesday Youth Group**, will follow the directions of the Lucas County Sheriff. Advisements from Toledo Public School shall also be considered. In the event that Toledo Public School does close, and the roads are still safe to travel (level 1 or lower), the Forge meetings shall be held unless otherwise notified e.g., e-mail, phone call, and text.

***For the Youth Group Level 2 or above is an automatic cancellation.***

All other church activities are to follow the direction of civic authorities regarding driving conditions.

Yours in Christ,

Igor “Beau” Beaufils  
Senior Pastor  
Family Christian Center

“Jesus Christ the same yesterday, and to day, and forever.” – Hebrews 13:8
